2021 E&M Training Sessions

To supplement the previously provided 2021 Office-only E/M Service Changes, the OCC has expanded the E/M Training Sessions throughout November and December.

To attend an overview of the General Sessions listed below, visit the "Register Here" link and follow the prompts.

For additional guidance on the 2021 E&M Changes, please see the resources listed.

**Office of Corporate Compliance Newsletter**

From the Office of Corporate Compliance Newsletter:

**COVID-19 Vaccine Codes: Updated Effective Date for Pfizer/BioNTech**

While Governor Holcomb has not yet issued an EO to issue in code G2252 for telephone calls lasting 11 minutes.

While Governor Holcomb has not yet issued an EO that again extends the temporary authorization for out-of-state licensed health professionals to provide services to patients (regardless if they have an active license in Indiana).

For additional guidance on the 2021 E/M changes, please see the materials available at CMS.gov.

For Medicare patients, New HCPCS add codes 99443 will be temporarily available.

If you wish to attend a session for a specific specialty, please email us at... For additional details, see CMS CY21 Outpatient Prospective Payment System Final Rule.
